Woodbank

Discussions with Matt Schlein and MEC members didn't take place as of this meeting date. Lee will contact Vt Gas Systems about their pipeline project and the possibility of getting fire wood (logs) from their project. Wood from this project could possibly be delivered to Willowell to kick start our wood bank.

Next meeting

The next meeting will be March 16, at 7:00 PM. Hopefully a Willowell leader, Mr. Matt Schlein will attend the meeting to discuss Woodbank possibilities. Jay may be able to Skype in to the meeting.

Adjournment

The discussion ended at 7:40 PM.

Respectfully submitted,  
Pete Dufault
