WEATHER:

72 °F, Cloudy and Rain

GME HOURS ON SITE:

1:20 – 3:20pm

WORK OBSERVED:

No activities were observed on-site at Parks Hurlburt Road Access or Old Stage Road.

Monkton Road:

- Michels crew is still at approx. Sta. 1472+00 to the Archaeology site (Sta. 1468+50), however with less equipment and workers because they are not drilling anymore.
- They are reaming and expect to me pulling pipe by Wednesday.

Post Road Access:

- Michels crew at approx. Sta. 1427+00 to Sta. 1435+00 welding the pipes to be pulled under Monkton Swamp.
- Reaming and an excavator was moving earth at approx. Sta. 1426+00.
- Difficult to find space with all the vehicles there and the access road being thin.

Hollow Road:

- Michels crew at approx. Sta. 1391+00 drilling. They started this morning and got 32 feet and seeded into rock and were putting on a new bit to drill through. They are planning to be 36 feet deep at the start and about 90 feet deep at the top of the hill.
- VHB will have an employee on site for the entire time when Michels will be drilling. Max from VHB was here today.
- Ted Foltz was not there but Paul was there filling in for him and using his truck.

Rotax Road Access:

- Michels crew at approx. Sta. 1289+00 to Sta. 1293+00 digging trenches for the pipe to be installed.
- CHA surveyor onsite and surveying all welds and bends in the pipe.

OTHER: No other interaction
