(1) Drill	(1) Michels Pipelayer	(1) Dill
(1) Michels Pipelayer		(1) Drilling Mud pump
(1) Drilling Mud pump		(1) Bulldozer

### WEATHER:

84 °F, Sunny

### GME HOURS ON SITE:

6:00– 7:00pm

### WORK OBSERVED:

No activities were observed on-site at Old Stage Road, Monkton Road, Hollow Road, or Rotax Road.

#### Old Stage Road:

- Trenches have been excavated at approx. Sta. 1525+00 to Sta. 1535+00.

#### Monkton Road:

- Michels equipment is still at approx. Sta. 1472+00 to the Archaeology site (Sta. 1468+50), which is the drilling equipment, crane, and mud pumping equipment.

#### Post Road Access:

- Michels crew at approx. Sta. 1435+00 and preparing the pipes to pull for tomorrow.
- They pulled the entire pipe through on Monday, 8-8-16 but the last joint was scarred up without coating. So they attached more pipe to pull through and cut the joint that was scarred. They were planning to pull the rest of the pipe on Wednesday, 8-10-16

Hollow Road:

- Michels equipment at approx. Sta. 1391+00 drilling. The equipment observed there makes it appear that they are still drilling.
- The fence at approx. Sta. 1391+00 was found down on the ground. Not sure of the cause.

Rotax Road Access:

- Michels excavators were on site and could be digging trenches in the next day or two.

**OTHER:** No other interaction
