2013 Scoping Study:

- Monkton Ridge Village Complete Streets Planning & Feasibility Study by LandWorks
- Looked at opportunities along Monkton Ridge Road between Bristol Road and Davis Street / Silver Street
- Identified potential improvements to study intersection

2019 Intersection Study:

- Bridging the gap from planning into design for intersection improvements.
- End product: conceptual plans and technical memorandum

Kick-Off Meeting – May 2019

- discuss objective, assumptions, goals, schedule
- Intersection alignment: straighten States Prison Hollow Road approach
- Consider maneuverability of right turning vehicles from States Prison Hollow Road
- Fire trucks come through intersection
- Project area limited to intersection (not to include adjacent side road)
- Proximity to Monkton General Store

- **Steering Committee Meetings**
- Conceptual Plans
- Public Meeting Presentation
- Technical Memorandum

Steering Committee Mtg #1:

- Sept. 4th at Town Office
- Presented draft conceptual sketch of intersection improvements
- Presented alternatives for proposed profile of States Prison Hollow Rd

Selectboard Mtg:

- Town representative presented project at Sept. 9th Selectboard meeting

Steering Committee Mtg #2:

- Digital correspondence regarding comments and responses from 1st Steering Committee Meeting and Sept. 9th Selectboard meeting

- **Conceptual Plans**
- Public Meeting Presentation
- Technical Memorandum

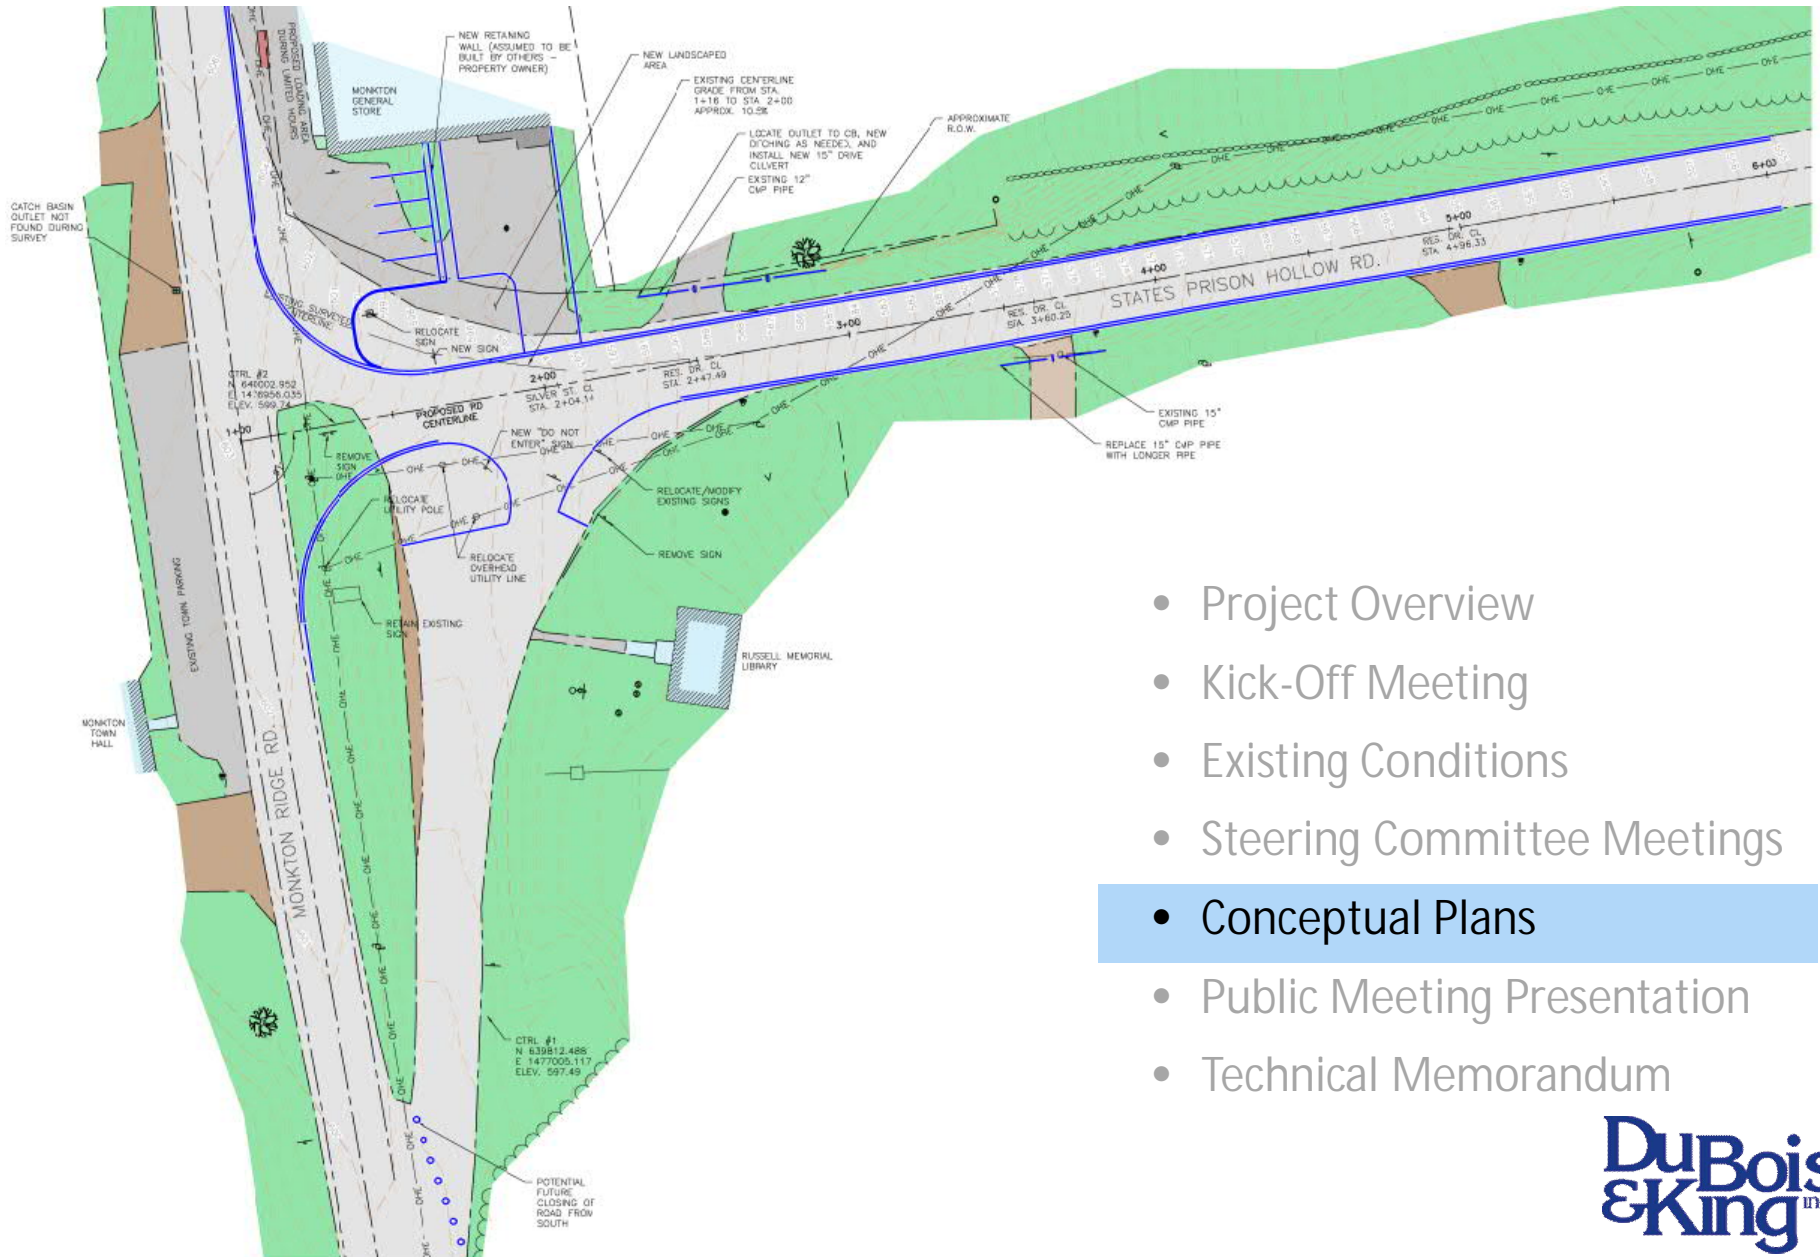

Conceptual Design

- Tie into existing adjacent road with no proposed improvements to adjacent road / library area
- Defined parking at Monkton General Store
- 25' relatively flat States Prison Hollow Road approach. 10% slope beyond that to tie back to existing.
- No proposed crosswalks shown (no connecting pedestrian facilities and narrow shoulders)

Future Considerations

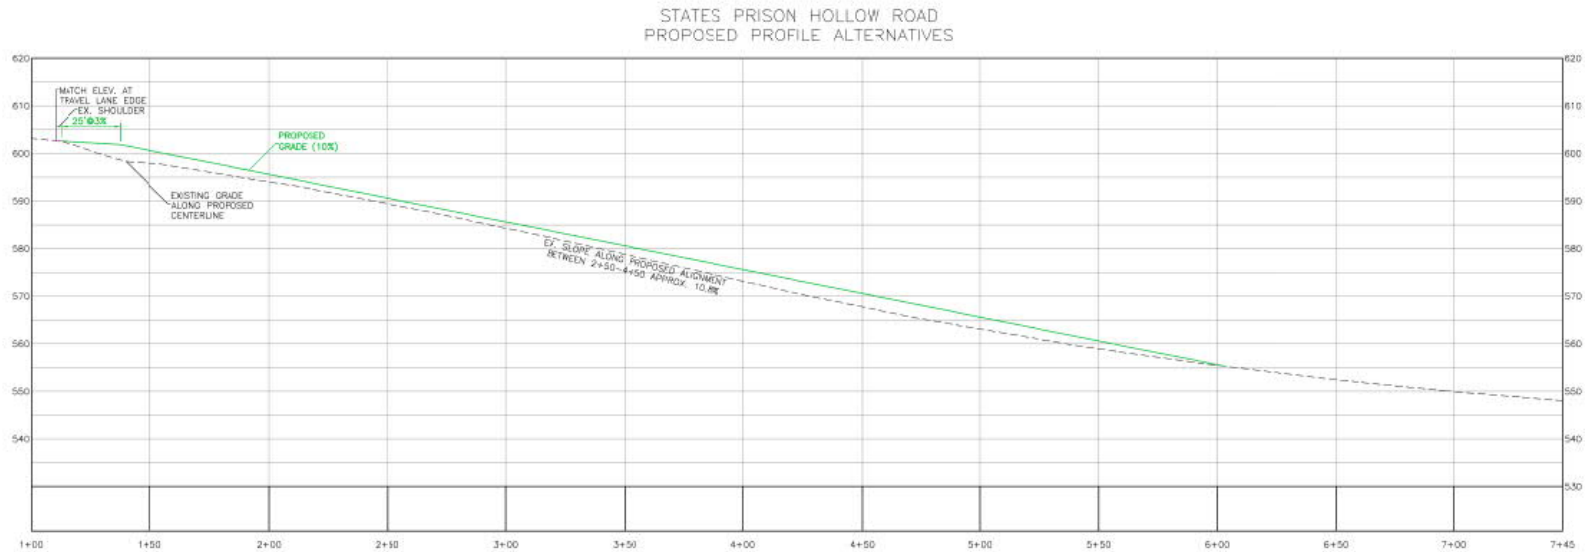

- Potential future closing of adjacent road from south -> future Town discussion/decision
- Future improvements to adjacent road / library area
- How much of work shown at General Store is within scope of intersection improvements

Opinion of Probable Cost (Conceptual Level):

		<u>2019 OPCC (conceptual)</u>	
		Subtotal	\$280,000
		<u>20% Contingency</u>	<u>\$56,000</u>
Opinion of Probable Construction Cost, Conceptual			\$336,000
	10%	Town Administration	\$34,000
	15%	Engineering / Design	\$50,000
	varies	ROW Fees	\$10,000
	12%	Construction Admin	\$40,000
		Grand Total	\$470,000

Assumes some ledge removal at the intersection would be needed. Also assumes retaining wall at adjacent store would be built and paid for by adjacent property owner.
