

## Minutes – September 23, 19 – Municipal Building Committee

Present: Melanie, Pete N, Will, Chris, Leah, Jere, Peter S, Heather, Deb

Called to order at 7:07pm.

July minutes approved.

### **Atmosphere:**

Open doors - shut off half the lights

set up a mix of tables and chairs as close to stage possibly in a semi-circle

have index cards and prompt worksheet

### **Agenda for Thursday:**

Introduction by Steve – include introducing committee members, show webpage? Mention end time?

Presentation by Chris and Leah – index cards are the questions they want answered by us vs prompt sheet that will go to architects & building committee

Pizza and chat with neighbors and committee members

Committee collects index card questions and figures out which questions to answer with the whole group

Questions are answered

– posterboard of slides re: schedule, timeline, site photo, site analysis

**Chris & Leah** ran through the powerpoint – committee gave input on the presentation – C & L bringing 2 easels –

Strawberry festival posters are where? Steve has those? Mel check with him.

### **Mel To Do:**

add “pizza” to the signs on the ridge

-stephen – introduce committee members and architects, show webpage?, can steve also conclude the meeting?

-easel paper I’ll bring

-2012 and 2013 sf send to chris

-Bring my **FAQs** I have answers to – bring survey results – bring info from webpage in binder

-Send them the other concerns we’ve heard for slide on community input other than cost and tax burden, preserve historic/ town character, flexible organization for programming opportunities, th and lib = comm ctr

-definitely bring my defense of the library and why we need it – get T’s point re: vision of library for future

-bring my grant info

-check on wifi password (ANESUGuest password?) –

-we need talking points for FAQs
