

## Summary of ANA Fund expenditures and acreage protected

Conserved area	Year	ANA funds	Total acres conserved	Total cost (Leverage)
Raven Ridge	2010	\$15,000	365	\$1,200,000
Claflin Farm	2012	\$60,000	199	\$632,500
Spooner-Muzzy Farm	2012	\$6,000	214	\$271,175
Orb Weaver Farm	2013	\$20,300	99	\$255,100
Rotax Pond Brook parcels	2015	\$4,500	82	\$26,800
Cota Farm	2017	\$100,000	218	\$626,300
Full Belly Farm	2018	\$60,000	108	\$454,500
Huizenga Farm	2020	\$40,000	350	\$433,250
<b>Totals as of Feb 10, 2021</b>		<b>\$305,800</b>	<b>1,635</b>	<b>\$3,899,625</b>

Burr-Doyle OPAV*	2020	\$40,000	179	\$213,400
<b>Grand totals</b>		<b>\$345,800</b>		<b>\$4,113,025</b>

**In the last 10 years, Monkton's Agricultural and Natural Areas Fund has leveraged \$345,800 of town funds into \$4,113,025 of project funding for 9 projects that have conserved 1635 acres (2.55 square miles!) of farmland, forestland and wetlands, and facilitated the transfer of 179 acres to the next generation.**

\*Option to Purchase at Agricultural Value - this easement (the first in Monkton!) predated the option for the next owner to purchase the conserved ag land at agricultural value (minus the development potential), so this easement was updated to help transfer The Last Resort Farm to the next generation. All other ag easements in Monkton have the OPAV included in current easement language.
