By State Statute parking in the traveled way is prohibited.

COMMUNITY ROOM USE – POLICIES AND PROCEDURES

The Board reviewed a copy of the application for use and the proposed policy. Carol Alfred is interested in using this facility for a rehearsal dinner. P. Low asked if this is similar to other town's policies. M. Kelley noted she looked at multiple town's policies. The ability to have alcohol varies town by town. P. Low asked if other towns require applicants to provide liability insurance for events. He wants this to be as user friendly as possible, especially since this is a public building. M. Kelley noted that Shelburne requires a certificate of liability insurance. Bristol & Hinesburg as well. M. Kelley noted that people should be able to add a rider to their homeowner's insurance, and if that is not possible they can go through VLCT. This could be added to the application and policy.

C. Alfred noted that her first reaction that is the USER priority has Monkton residents

using for private purposes as #4. She felt that that should be higher up the priority list. The Board looked at what rates other towns charge. C. Alfred suggested under procedures to have a clear line of communication from the town to the applicant when an application is submitted. Rental fees were discussed. For commercial profit making enterprise \$100-\$150 per hour was proposed. For residents it was proposed \$75 for 2 hours and \$10 per hour past the 2 hours. Key deposit is proposed to be \$50. S. Pilcher stated that he doesn't want to charge a security deposit for Monkton residents. It was discussed that patio use can't interfere with library operations. Further discussion will be taken up at a future meeting.
