

Monkton Energy Committee

Meeting Minutes

March 17, 2021

Attending: Mark Boltz-Robinson, Chris Boekman, Alex Perkins

Absent: None

Guest: None

Call to Order 19:04.

M. Boltz-Robinson announced that the Palmers had resigned from the committee, being too focused on other things. The committee expressed thanks for their service.

C. Boekman introduced himself. He's been involved in energy products and projects.

A. Perkins introduced himself and his background also

The committee discussed the priorities for the year. Ultimately the following were decided:

1. Town Hall Solar
2. Town Hall EV Charging Station
3. Efficiency Funding/Assistance

A. Perkins noted that the libraries grant would be due at the end of May.

Each committee member agreed to select a solar company or two to reach out to to get a preliminary, informational site survey and quotation.

1. Bristol Electric
2. SunCommon
3. SunRun
4. Green Mountain Solar

Adjournment [time not recorded]
