

# **Monkton Energy Committee**

Meeting Minutes

June 15, 2022

Attending: Mark Boltz-Robinson, Chris Boekman, Dave Bristol

Absent: John Dunham, Harry Atkinson

Guest: None

Call to Order

D. Bristol made a recommendation for a flyer outlining different program options in one spot for folks for awareness; could be provided at Town Hall and available to new residents especially.

D. Bristol took on action item to follow up with B. Joos on utility bills.

D. Bristol and C. Boekman would take up review and draft of initial Energy Survey 2022.

M. Boltz-Robinson - would follow up with Maddi at ACRPC on help with solar array development. Also, would check with RVG on storage and EV charging station configs at new Town Hall.

Everyone agreed to continue researching battery storage options and vendors.

Adjournment
