- **What excites you about the Monkton Town Forest?**
- **How can we be responsible stewards of the property as individuals and a community?**
- **What topics concern you or need further discussion?**

Join us at the Monkton Town Hall this Thursday Sept 19th from 7:00pm – 8:30pm for a community workshop to kick off the long-term management plan development. Come to listen, speak, or leave your thoughts in the comment box. There will be more opportunities like this throughout the fall. **Please RSVP if you can join:**

We'll start off with pizza, introductions, and talk about the questions above with the goal of identifying topics and uses that need further community discussion. A timeline of additional opportunities to participate in the long-term management plan process will be shared in the coming weeks.

Whether or not you can attend the workshop, fill out the LATEST SURVEY:

It'd be great to hear from as many Monktonites as we can. Let us know what you value in our community forest and how it should be enjoyed, protected, and managed within the context of the Vermont Land Trust Conservation Easement. The surveys will guide the in-person focus group events this fall and be a key input as we create our community forest's Management Plan together. The Monkton Town Forest Committee looks forward to hearing from you: [townforest@monktonvt.com](mailto:townforest@monktonvt.com)
