- New Business
  - Recommendations & requests
    - Hunting blind request
      - The committee discussed the request. It met the guidelines in the Management Plan and the Committee had no concerns.
      - **Jaime moved to approve the request for a hunting blind. Jessica seconded. The vote passed 4-0-0.**
    - Subcommittee to review routine requests
      - John joined the meeting at this point.
      - Discussed whether a subcommittee or individual(s) on the committee could approve requests, such as for deer stands, game cameras, or educational workshops. This is generally allowed for certain routine items, subject to later review by the body at a regular public meeting. We will seek clarification from the Vermont League of Cities & Towns on the specifics of when a municipal body can take this more efficient/timely approach to routine requests (John to follow up).

**Adjournment**

John moved to adjourn at 3:57pm. Jaime seconded. The vote passed 5-0-0.
