

History of Town Building Proposals

Each of these proposals were to be located at the lot the town owns just south of the Monkton Friends Methodist Church

2010 - \$1.4 million

A new building with an upper level containing **town offices**, and a lower level containing a **community multi-purpose room**.

2012 - \$1.5 million

Move the existing town hall to the new site and onto a new foundation. The existing town hall would be used as a **community multi-purpose room**. An addition would be built for new **town offices** on the upper level. The lower level would house a new **library** which would be a walk-out.

2013 - \$1.05 million

A new **town hall, common area and library** would be built on one level.
