

Town of Monkton

Municipal Building Committee

Mission Statement/Goals

At the 2006 Town Meeting the voters of Monkton authorized the purchase of approximately five acres on Monkton Ridge for \$92,000. At the most recent Town Meeting the voters authorized the creation of a Municipal Building Fund and funded it with \$40,000. The Municipal Building Committee sets as its mission and goals the following:

1. Determine the needs and requirements for a new Town Hall.
2. Determine the needs and requirements for a new Town Library.
3. Determine the needs and requirements for a community center.
4. In the event a new building is proposed, determine what the possible uses of the old building are and make concrete recommendations.
5. Create cost estimates and timelines for any building project.
6. Volunteers – organize volunteers who can reduce costs in the form of free labor, materials or donations.
7. Grants – work with the Selectboard and other members of the community to identify pre and post production grants.
8. Generate community support for any proposed project.
9. Prepare informational materials and distribute.
