WEATHER:

70 °F, Cloudy

GME HOURS ON SITE:

11:30pm – 3:45pm

WORK OBSERVED:

Rotax Road:

- No Activity.

Monkton Road:

- Michels Boring crew matting and preparing the site to begin drilling today or tomorrow. The drill rig was on its way to the site by 2:00pm they expected it to be there.
- Michels plans to bore Monkton Road, and the Archaeology site to the south, in two separate drills.

Old Stage Road:

- MDB preparing to blast the west side of the LOD around station 1520+50. The blast was scheduled for around 2:45 pm. Drillers are moving south along Old Stage Road and have drilled from station 1554+00 to 1557+00.
- There are two more blasts planned for the area around station 1520+00, then the blaster will move south along Old Stage Road as well.

OTHER: No other interactions.
