## Town of Monkton, VT - VGS Oversight GME Project No. 26-012

### Field Report

June 14, 2016

**LOCATION:** Post Road Access; Rotax Road Access; Hollow Road Access; Old Stage Road

### ONSITE:

Monkton Road:	Old Stage Road:
Ben Cayer, GME	Ben Cayer, GME
(1) Michels Boring Crew	(1) JAM Crew
(2) Michels Foreman	(2-3) Law Enforcement Vehicles
(1) Welding Crew	

### WEATHER:

60 °F, Clouds

### GME HOURS ON SITE:

2:00pm – 3:45pm

### WORK OBSERVED:

#### Monkton Road:

- Michels Boring Crew was reaming the drill line, which is a process that clears the line and makes the hole large enough to allow pipe to slide through. Their tentative plan is to pull the pipe on Thursday.
- Michels had finished welding the 1000ft string of pipe to the south of Monkton Road, (station  $\pm 1500+00$ ). The crew was waiting for a tanker truck with water to Hydro test the pipe before they install it on Thursday.

#### Old Stage Road:

- Police Patrol at both ends of the road said that no work was being done, due to protesting.

#### Hollow Road:

- JAM Crew was working at 1393+00 $\pm$ , and there were three joints of pipe on site for the Hollow Road Bore. No sign of starting the actual road bore.

**OTHER:** No other interactions.
