Shaping Our Future Together

Thank you to the over 250 community members who attended last night's MAUSD School Board meeting, at which Superintendent Patrick Reen presented a recommendation for the future of our schools. A recording of this meeting will be posted to [NEAT TV](#) in the next couple of days and until then, you can find it [here](#) (with passcode: 5+\$GoD.+). In addition, here is the [slideshow](#) and [script](#) of the presentation by Superintendent Reen. This presentation includes some historical context about our school district, an inspiring video that invites us to think about possibilities and potential for growth, and the financial impact of the different options that the Board is considering.

If you were unable to attend the meeting last night, there will be two more opportunities to hear about Superintendent Patrick Reen's recommendation: December 16 from 9-11am and December 17 from 6-8pm. Zoom links to these meetings can be found on the MAUSD website on the School Board calendar: www.mausd.org. In addition, you can submit questions about this process via email [facilities.planning.questions@mausd.org] and they will be answered and posted to this Frequently Asked Questions page: <http://www.mausd.org/facilities/planning/faq/>.

Your feedback is incredibly valuable to the Board as it contemplates next steps. A survey will be sent electronically on December 16 and by mail soon after to all Five Town residents about the options presented by Superintendent Reen as well as his proposed recommendation. Please be sure to complete this survey so that your input is considered.

Thank you.

The MAUSD School Board
