S. Lawrence said ditching was done on Mountain Road, a big job. Gravel to build up the road is coming next. He is working on completing grants so the town can get reimbursed. Pond Road will be ditched next and gravel added. J. Szarejko said he would try to notify residents about delays. S. Lawrence was told FEMA would be here by the end of the month. Boro Hill, Mountain Road, Tyler Bridge Road, and Piney Woods Road were all damaged by the heavy rain and may be covered by FEMA. There was discussion about the process with FEMA. There was discussion about the safety of the culvert on Tyler Bridge Road. J. Szarejko asked about Jockey Lane. S. Lawrence noted that he hoped a grant would cover the work; there was ledge and they haven't had time to get to it with all of the major storm damage. S. Pilcher asked if having a contractor do the work would be a solution. J. Szarejko said he would get back to the folks on Jockey Lane. M. Hurlburt noted that Tom Kenyon couldn't be at the meeting and wanted it said that Piney Woods Road was a scenic road and it shouldn't be widened or substantially changed. M.
