UPD. There was discussion on the UPD sections 518 and 905(b) a topic introduced at the last meeting. It was decided to table this item to the next meeting when Adam Lougee ACRPC will be present.

Town Wide Survey-2025. The draft survey, coordinated by Marilyn was reviewed and where necessary the questions reworded and trimmed for clarity. Questions relating to and received from the Conservation and Energy Committee's were added. The next step is for the cleaned up version to get a final read through in preparation for distributing to Monkton residents. A post Card will be mailed to all households alerting them to the Survey. Responding to the survey may be either on line or where requested by paper copy.

VGS. Ivor provided the following update. The town signed on as an intervener was unable to respond to the filling date of 4/9/2025. As a result the Select Board at the suggestion of Ivor Hughes sent a letter to the PUC requesting more time to respond, owing to the majority of the SB only being sworn in a short time before the filling date and therefore having insufficient time to review all the VGS/PUC data. The letter was sent to the PUC, 4/9/2025. As of this date no reply has been received.

The Meeting was adjourned at 8.15pm moved by Ivor second by Sam.
