Announcements: None

Nate to check in with Ivor on the minutes from January 17, 2018 regarding a \$70K grant for the town related to NG valves and distribution to Monkton.

Advertising could be done on Facebook or FPF for additional MEC members.

The July 2018 minutes were reviewed and approved as is.

Ferrisburg no longer has an Energy Committee. Lee will contact Sally in Ferrisburg about the "Rogers in Hazard Fund".

Enhanced Energy Plan

Nate to provide comments on E. Plan to Ivor. Renewable NG could be generated at farms and distributed locally. This would be a 'greener' way to use NG.

Adjournment

Nate made a motion to close the meeting and it was seconded by Jane at 7:23 PM.

Respectfully submitted,
