

Monkton Energy Committee Minutes  
Monkton Town Hall  
February 20, 2019  
Draft Minutes

Members Present: Nate and Jane Palmer and Pete Dufault

Others Present: None

Call to Order: 7:05 by Pete

Announcements: None

Minutes review: February minutes were approved with one minor edit. After the edit, they will be posted on the town website. The January minutes will be sent to Pete Dufault for uploading.

Other

There was about \$200,000 mentioned as possible tax revenue that could be awarded to the town from the NG pipeline project. However, the town may only be able to keep \$68K of this amount. There is town meeting coming up on Saturday, March 2, 2019. Any ideas on how the town could financially benefit from this pipeline project? This item refers to article 8 in the town plan. Article 8 states: "Shall the voters of the Town of Monkton recommend to the Selectboard that they consider the viability of a Town Energy Fund?"

Next Meeting March 20, 2019 at 7:00 PM

Adjournment

Nate made a motion to close the meeting and it was seconded by Pete at 7:45 PM.

Respectfully submitted,  
Pete Dufault
