DOG PARK PROPOSAL

Cathie Buscaglia & Ian Schulze approached the Selectboard representing an informal committee who has been getting together for the past year discussing the possibility of a fenced dog park somewhere in Monkton. The group is proposing a fenced area in Morse Park to the south and southeast of the parking area off Pond Road. The group is not asking for any taxpayer money. They hope to secure grants and do fundraising to pay for fencing and ongoing maintenance of the park. They presented to the Monkton Recreation Committee. C. Buscaglia state that the Recreation Committee had no problem with pursuing that location. C. Buscaglia mentioned they also read through the conservation documents for this property and it does not appear there is any conflict with having a dog park. A. Layn asked about insurance. C. Buscaglia noted that it has been discussed and they do not envision securing a separate insurance policy. I. Schulze noted that the group looked at rules and regulations of dog park as examples. J. Giard asked if there was a separate section proposed for small dogs. C. Buscaglia noted no, because the park is not big enough. J. McNerney noted that while the committee felt their review indicated no conflict with the conservation documents, they will need to notify the holder of those rights (who should be noted in the document) and get their agreement before proceeding. The Selectboard would like to see the dog park group put an information piece in the Town Report and set up an informational table at Town Meeting. S. Pilcher also mentioned that speaking up at Town Meeting would be another venue to get information out.

SOCIAL MEDIA POLICY

B. Layn-Gordon noted that over the past few months many rumors have been discussed on the community Facebook page that she manages, which is not an official town page. She noted that maybe the Town could have an official Facebook page (in addition to the town website) where up to date town information can be posted. M. Kelley noted that information that goes on the town website should be the same information being put out

on a Facebook page. M. Kelley noted that by having commenting closed off would help to mitigate any kind of open meeting law issues. J. McNerney noted that he would not object to a “no comments” town Facebook page. A. Layn noted that she was in favor. S. Pilcher noted that not everyone has a Facebook account. B. Brown noted that if the town had a Facebook page and the settings were set to “public”, people can view it even if they don’t have a Facebook account. A. Layn suggests a small committee to draft a social media policy for the Town of Monkton. A. Layn and B. Layn-Gordon offered to help draft the policy. J. McNerney also offered his help.

DRAFT TOWN MEETING WARNING

The Selectboard reviewed the copy of the Draft Town Meeting Warning.
